WARD MEETINGS.
The Scott men of the Second Ward meet tonight to prepare for action on the 2nd of November. Good speakers have been provided in both English and German, and a large turnout is expected. The friends of the good cause in the ward are invited to attend, and lend the encouragement of their presence to their brethren who are preparing to storm the Iron Second—heretofore the Gibraltar of free democracy.

The German Scott men of the Fifth Ward meet also tonight at Koenigs's Saloon, for the same good purpose. It is said that at each of the late Pierce and King meetings in that ward, the latter speakers have been mostly Scott men, and that the abuse of the old hero by the Loco Foco Congress has made him many votes. Let his friends out to-night and get ready for the fight.

SCOTT LEADS THE COLUMN FORWARD!
The recent election of a "Native American" as Supreme Court Judge, by the Democracy of Wisconsin, is a record of the first kind in the history of the State. It is a record of the first kind in the history of the State. It is a record of the first kind in the history of the State.

To the Independent Members of the American Party.
The State elections have been held, and a very brief space intervenes before the next election. It must be apparent to reflecting minds, that the present crisis of the nation, in relation to the tariff, is a crisis of the first importance.

THE FRIENDS OF EDUCATION.

CITY MATTERS.
Webster Meeting Postponed.
On account of the inclemency of the weather, the meeting which was to have been held last evening on the subject of the death of Dr. Webster, is postponed till Friday, 30th November, at the same hour and place.

Another Storm—After clearing off on Wednesday afternoon, and giving us a fine warm night, the weather suddenly changed again towards morning and yesterday we had another wet day, with a severe wind from the east.

The Pacific came in from Shelbyville in the morning, but did not have port of the day—The propellers of the Pacific came in from Shelbyville in the morning, but did not have port of the day—The propellers of the Pacific came in from Shelbyville in the morning, but did not have port of the day.
